proper goodbye post

catcrow236

I haven't been active for over a year on this forum, and I think it's time for me to properly say goodbye. It seems like just yesterday I joined this place, but in reality it was back in 2016. This place holds so many good memories for me, and although things have changed and many users I used to know are presumably inactive, this place still holds a special place in my heart. There's so much more for me to say, but most folks probably don't remeber me, so I'll keep this post fairly brief.
This forum and all of it's users are so important to me, and I just wanted to make a proper goodbye instead of disapearing off the face of the Earth.
Once more, thank you for all of the wonderful memories I made on this sight.
Goodbye.

Hi! I remember you (I used to go by RubyLavender). I relate a lot to this post, and I respect you for taking the time to make a proper goodbye post, despite the fact that most of the forumers here are probably now strangers. Good luck in life :)

Who are we to wonder where we're going?

Who am I to tell me who I am?

Let's take it back, and take in every moment

Who am I, to tell me who I am?

Who can say if I've been changed for the better?
But because I knew you
I have been changed
For good
